Conditions for use of our pictures

The images in this EBD Group photo library are copyright of EBD Group AG, but can be used commercially (royalty free) solely for reporting on EBD Group conferences. When used in this way, copyright remains with EBD Group AG and the images cannot be sold by themselves or as part of a collection, library or archive (either online or offline) without the explicit written permission of EBD Group AG.

If you do use the images from the FREE image library, please respect our copyright by labelling each image with © 2009 EBD Group AG and, if possible, send us a PDF copy of where the image was used.

If you are using the images from the library on a website, please transfer the image files to your own web server, and do not link directly to the EBD Group photo archive, as we cannot guarantee that either the image filenames or their location will be maintained.
